KAILASH MANSAROVAR YATRA

Mount Kailash and Lake Mansarovar – A Sacred Journey in Tibet

1. **Mount Kailash and Lake Mansarovar** are among the most sacred pilgrimage destinations in the world, located in the Tibet Autonomous Region of China. Revered by millions of devotees, Mount Kailash is traditionally regarded in Hinduism as the divine abode of Lord Shiva and Goddess Parvati. Together, these extraordinary destinations represent faith, devotion, spiritual peace, and the timeless beauty of the Himalayas.
2. Mount Kailash rises to approximately **6,638 metres (21,778 feet)** above sea level and is part of the Transhimalayan Kailash Range in the western Tibetan Plateau. Its distinctive snow-covered peak and remote surroundings make it one of the most recognisable and spiritually significant mountains in Asia.
3. Nearby, **Lake Mansarovar** is celebrated for its religious importance and serene natural beauty. Hindu pilgrims associate the lake with Lord Brahma and believe its sacred waters symbolise purity and spiritual renewal. The lake also holds significance in other religious traditions, including Buddhism and Jainism.

- A medical checkup before departure is strongly recommended. Prepare with regular walking and light exercise, and discuss high-altitude risks with your doctor, especially if you have a pre-existing medical condition.
- The journey involves high elevations, cold weather, remote accommodation, and demanding terrain. Travel insurance should specifically cover high-altitude trekking and emergency evacuation.

10. Cancellation Policy:

The following is an example of the proposed cancellation schedule and should be confirmed against the company's written booking terms:

- **90–150 days before departure:** Refund of the eligible payment, less the non-refundable deposit.
- **45–90 days before departure:** 75% refund of the eligible payment, less the non-refundable deposit.
- **Less than 45 days before departure:** Payments may be non-refundable for cancellations due to personal reasons.

The final policy should clearly define applicable date ranges, non-refundable fees, supplier charges, and exceptions.

11. Travel Insurance:

Personal travel insurance is not included in the package price unless expressly stated in the booking confirmation. Travellers are responsible for arranging suitable insurance for the entire journey, including high-altitude trekking, medical treatment, emergency rescue, and evacuation where available.

Important: All hotel names, prices, permits, visa procedures, cancellation terms, helicopter operations, and local arrangements are subject to confirmation for the 2027 departure. Please obtain the final terms in writing before making payment.
