KAILASH MANSAROVAR YATRA

Mount Kailash and Lake Mansarovar – A Sacred Journey in Tibet

1. **Mount Kailash and Lake Mansarovar** are among the most sacred pilgrimage destinations in the world, located in the Tibet Autonomous Region of China. Revered by millions of devotees, Mount Kailash is traditionally regarded in Hinduism as the divine abode of Lord Shiva and Goddess Parvati. Together, these extraordinary destinations represent faith, devotion, spiritual peace, and the timeless beauty of the Himalayas.
2. Mount Kailash rises to approximately **6,638 metres (21,778 feet)** above sea level and is part of the Transhimalayan Kailash Range in the western Tibetan Plateau. Its distinctive snow-covered peak and remote surroundings make it one of the most recognizable and spiritually significant mountains in Asia.
3. Nearby, **Lake Mansarovar** is celebrated for its religious importance and serene natural beauty. Hindu pilgrims associate the lake with Lord Brahma and believe its sacred waters symbolize purity and spiritual renewal. The lake also holds significance in other religious traditions, including Buddhism and Jainism.
